From

ECONOMIC BOTANIST,
SUPERINTENDENT, GOVT. GARDENS.

To

The Chief Secretary to the Govt. of His Highness
the Maharaja of Mysore,
BANGALORE.

Sir,

With reference to correspondence ending with your letter No.G.2921/PP 145-19-21 dated 4th instant, intimating that it is not proposed to carry out such elaborate Improvements to Gardens and sanctioning only Rs.2,000/- for carrying out such minor ---- improvements as are absolutely necessary and for keeping Gardens which are likely to be visited by His Royal Highness in proper condition, I have the honor to state that the amount will be enough suffice only for extra labor on the most urgent of such work, and that any requsition coming in from other Departments for --- decorations, etc., during the visit cannot be attended to without extra provision.

2. Our stock of plants suitable for decoration has been allowed to me so low that none are available to comply with the large numbers of requsition which come from all sides.

3. The Government House Garden at Mysore (where extensive structural alterations are in progress) requires a good deal of improvement. Under present condition even the grass will not keep green when the rains cease.

4. The surroundings of the King Edward Statue cannot be left as they are, as this place has not been touched at all yet.

5. I bring the matter to your notice because these works can only be done during the monsoon and will involve considerable labor cost if done later besides that the effect will be less.

I have the honor to be,

Sir,

Your most obedient servant.

Superintendent.
